

## **Privacy Policy for Toreapps AS – Last Take app**

This Privacy Policy applies to all information collected or submitted by the app Last Take.

### **Information We Collect**

The app does not collect any personal information.

The app does not store usage data.

The app stores game statistics locally on the device. The user can delete all player statistics at any time.

After rated games (advanced version only, on boards larger than 4×4), played online or against the Engine, the app updates the player's Elo rating. The rating is published after each game to the Online and Engine leaderboards in Apple's Game Center.

### **How Information Is Used**

All information processed by the app remains on the device, except for Elo ratings published to Apple's Game Center Leaderboards as described above.

No information is transmitted to other servers, third-party services, or external systems.

### **Notifications**

The app does not use notifications.

### **iCloud**

Last Take does not use iCloud for storage or synchronization.

### **Advertising and Analytics**

Last Take contains no advertising and collects no analytics or tracking data.

### **Security**

All stored data is protected by Apple's built-in security framework.

### **Accessing, Changing, or Deleting Your Data**

All locally stored data can be viewed or deleted in the Progress section of the app.

Uninstalling the app removes all locally stored data.

### **Third-Party Links and Content**

Last Take does not contain external links or third-party content.

### **Children's Privacy (COPPA)**

Last Take does not collect any personal information from individuals of any age, including children under 13.

### **International Transfers**

The app transmits data only to Apple's Game Center Leaderboards. No other external data transfers occur.

### **Your Consent**

By using the app, you consent to this Privacy Policy.
